

Safety data Sheet

according to Reach 1907/2006

From 16.10.2019

page 1

1. Identification of substance/preparation and of the company

Trade name: Nittaku E-Zip
Use of the product: Special glue for Tabletennis rubber sheet
Company: Nippon Takkyu Co. Ltd.
1-2-8 Kanda Izumicho
101-0024 Chiyoda-Ku Tokyo
Japan
Telefon: +81 3 38629823
Email: hchiba@nittaku.com

2. Possible hazards:

not classified as hazardous material

3. Composition / information on ingredients

Natural dispersion of Polyisoprene with natural accompanying substances in water

The product is not hazardous but contains hazardous substances:

Potassium hydroxide solution	proportional	0.40%
sodium polyacrylat	proportional	0.20%

4. First aid measures

General advice after contact with skin, wash with plenty of water and soap, in case of eye contact rinse with plenty of water, after swallowing of product seek medical advice immediately

5. Fire fighting measures

Extinguishing media normally non combustible, contains abt. 40% water

Extinguishing agents: CO², dry powder, foam, water

Additional information: Not conduct fire water into drains

Safety data Sheet

according to Reach 1907/2006

Natural Latex
From 16.10.2019

page 2

6. Accidental release measure

After spillage/leaking

Personal precautions:	in case of insufficient ventilation wear suitable
Vorsichtsmaßnahmen:	respiratory
	Keep out unprotected persons
	Maintain adequate ventilation
	Avoid contact with eyes and skin

Environmental protection measures: do not let product enter drains

7. Handling and storage

Storage:	keep container tightly locked
	Protect from freezing
	Keep only in original container

8. Exposure controls / personal protection

Residual monomers:	none
Personal protection equipment	not necessary

9. Physical and chemical properties

Physical form:	liquid
Colour:	white
Odour:	odourless
Boiling point (°C)	100
Density at 20° C	1g/cm ³
Steam pressure	not determined
Solubility in water	dispersable in each ratio
Ph-value:	9 - 10,5
Flash point (°C)	not applicable
Auto ignition temperature:	the product is not self-flammable

10. Stability and reactivity

Stability:	stable
Dangerous substances:	non under normal circumstances
Conditions to avoid:	non under normal circumstances
Hazardous decomposition products	CO,CO ² and other toxic gases

Safety data Sheet

according to Reach 1907/2006

Natural Latex
From 16.10.2019

page 3

11. Toxicological information

Physiological effects: excessive contact with vapour or fog can cause toxicological reactions and skin and eye irritations (ph-value >7)

12. Ecological information:

Biodegradability: no data, expected to be biodegradable

13. Disposal reference

Disposal reference: Do not pour into drain or soil
Remaining latex must be taken to special refuse disposals

14. Transport information

Classification: has not to be labelled in accordance to the EEC guideline on classification and labelling

15. Regulatory information

Labelling according to EEC directives: has not to be labelled in accordance to the EEC on classification and labelling
Water pollution class (WGK) WGK 1 according to VwVwS, 17.05.99 – No. 662

16. Other information

Other information: This product is a polymer with high molecular weight. Products made from Natural Latex may cause allergic reactions.
EG-Richtlinien:

The information contained herein are based on time of the issue of this Safety Data Sheet and are reliable and correct according to our best knowledge. The data represent our actual state of knowledge and are detined for the safe handling of the product.
The supplier refuses any liability for damages on persons and goods resulting from improper usage of this product.
